Greetings from your WDVA Director: David Puente

It was an honor for me, alongside several WDVA leaders, to represent our state and agency at the [National Association of State Veterans Homes](#)' annual winter conference. This key gathering brought together Veterans Home professionals from across the nation to engage with the [U.S. Department of Veterans Affairs](#) and learn about significant regulatory and oversight changes that will directly impact the Veterans and families we serve at our four State Veterans Homes.

During the conference, we had the privilege of meeting with members of our Congressional Delegation, including U.S. Senator Patty Murray, Congresswoman Suzan DelBene, Rep. Dan Newhouse, Representative Rick Larsen, Congresswoman Marilyn Strickland, Rep. Emily Randall, and Congressman Smith. These discussions allowed us to share [WDVA](#) priorities on both the state and federal levels.

We also had the opportunity to meet with staff members from other offices within our Washington delegation. We're confident that these efforts will lead to significant developments for Washington state, including the replacement of Veterans Homes on two of our campuses and the creation of a new State Veterans Cemetery in the Tri-Cities. We're excited for the future and the positive impact these initiatives will have on our Veterans.
